

Announcement

MSc GE PO-Version 20172

Subject: [Deadlines winter term 2019 \(20192\)](#)
[Exam registration, cancellation](#)

To the students of the
Master's program 'Geodetic Engineering',

Relating to the regulations of registration and cancellation of exam, the following regulations are announced:

A. Exam registration (general case)

The registration for an exam has to be executed between
09 December 2019 and **20 January 2020** by the electronically study
system 'basis'. Individual regulations are published as special
announcements.

B. Cancellation of exam registration

A cancellation of an exam registration has to be executed not later than one
week before the (first) exam event by the electronically study system
'basis'.

C. Special announcements

None

Notes

After completing a registration or cancellation, please check the steps performed
in your 'Information about registered examinations' overview. The printed overview
serves as a basis for your proof in the event of a dispute.

Please contact your exam office when you have problems or questions.

With best regards,

sig. *B. Binnenbruck*
