# **MSc GE** **Examination regulations - versions 20172/20202**

**Subject:** [Deadlines summer term 2022 \(20221\)](#)  
[exam organisation](#)

Dear students of the  
**Master's programme 'Geodetic Engineering'**,

### **General deadlines (exam registration and deregistration)**

For the examinations

#### **1st term (repetitive)**

##### ***General mandatory modules***

- Coordinate Systems (753900109)
- Global Navigation Satellite Systems (753900209)
- Statistics and Adjustment Theory (753900309)
- Geoinformation Systems (753900409)
- Geodetic Earth Observation (753900509)

##### ***Profile-related mandatory modules (major/minor profiles)***

- Sensors and State Estimation (753910109)
- Satellite Geodesy and Earth System (753920109)
- Urban Development (753930109)

#### **2nd term (regular)**

##### ***Profile-related mandatory modules (major profiles)***

- Advanced Techniques for Mobile Sensing and Robotics (753910209)
- Advanced Data Analysis (753920209)
- Spatial Decision Support Systems (753930209)

##### ***Profile-related mandatory project-modules (major profiles)***

- Mobile Sensing and Robotics - Part I (753910309)
- Geodetic Earth System Science and Data Analysis - Part I (753920309)
- Geoinformation and Spatial Development - Part I (753930309)

***Compulsory elective modules (major/minor profiles)***

- Machine Learning for Robotics and Computer Vision (753913029)
- Methods for Quality Assurance in GNSS (753914019)
- Mass Transport Modelling and Monitoring (753923019)
- Data Assimilation with Applications in Ocean Dynamics (753923039)
- Numerics in C++ (PE1) (753924012)
- Numerics in C++ (PE2) (753924013)
- Land Management (753933019)
- Location-Based Services (PE1) (753934012)
- Location-Based Services (PE2) (753934013)

in the Master's programme “Geodetic Engineering” the following deadlines are set

- **Begin of exam registration: 27.06.2022**
- **End of exam registration: 11.07.2022**

Registrations must be done via *basis*.

An **exam withdrawal** without stating any reason should always be done via *basis* at the latest one week before the (respective first) examination date.

If **further examinations** (e.g. 3rd term (repetitive)) have to be taken, please inform the examination office immediately.

For the examinations of **external modules** (elective selection), please refer to the special announcements of the offering study program.

**Thesis organisation**

The regulations for the issue of a master's thesis are announced separately.

**Covid-19-Pandemic**

Please regularly follow the current CV-19-information under the link:

- <https://www.uni-bonn.de/en/university/coronavirus-information/information-for-students>

**Dipl.-Ing. Bernd Binnenbruck**

Office of  
examination board

### **General Notice**

After completing a registration or deregistration, please check the steps taken in your overview "**Info on exams**".

The **printed overview** serves as the basis for your **proof** in the event of a dispute.

If you have any questions, please contact the exam office "Geodetic Engineering".

With kind regards,

*sig. B. Binnenbruck*
